Of all the Disney love stories, "Beauty and the Beast" is perhaps the most poignant. Beast's true identity is a charming prince who is discovering love in the form of the beautiful Belle. In **Beauty and the Beast's Winter Enchantment** both characters come to realize that their friendship has blossomed into love. While the two dance in the crisp winter snow, Mrs. Potts, Chip, Cogsworth, Lumière, Plumette, Frou-Frou and Madame de Garderobe celebrate this new young love. Escape into this painting and witness unconditional love in its purest form.
